LIABILITY: Renter is responsible for any and all damages that may occur during event affecting equipment, barn, main house, or property. The Renter agrees to hold harmless the Owners, Sharon Glasgow and Dale Glasgow as well as their work associates, from responsibility or liability due to personal injury to Renter, guests, or attendees or due to damage that may arise in connection with the use of the Glasgow barn, main house, or grounds.

POLICIES: The Glasgow Farm is a family-owned working farm; therefore the following policies must be strictly followed.

- Fireworks, sparklers and candles must be approved by Glasgow Farm (weather conditions and locations factor into final decision)
- Bonfire, fire-pit, or campfire must be discussed in advance and placement is only in designated area. If a bon fire is requested someone has to stay with it till it is completely out.
- Absolutely NO smoking in or near barns, out buildings or house
- Portable bathroom facilities must be rented by event host
- The Glasgow Farm requires party host to purchase Event Insurance either through personal insurance company or through a one-time event insurance company like www.theeventhelper.com. Each vender must be added to the event coverage policy if they do not have their own operating insurance coverage. This includes all vendors; Caterer, D.J., Photographer, Musicians, Officiant, Wedding Coordinator, Wedding Planner, Linen Rental Company, etc. This list is not exhaustive, but be aware that ALL vendors participating need to be added to the event insurance (there is no additional cost). Please relay whether or not your vendors have been added to the insurance or have their own insurance to representative at The Glasgow Farm no later than 7 days prior to event.
- When serving alcoholic beverages, no ABC License for the event is necessary as long as alcohol is not being sold. It is **only required if your event insurance requires it**. Please verify and show proof to The Glasgow Farm of your insurance company's requirement. If you are using www.theeventhelper.com insurance, no further ABC licensing is needed.
- The Glasgow Farm strongly suggests that the party host provide public transportation for guests when serving alcoholic beverages at an event.
- In the event of inclement weather (tornado, hurricane, flooding, ice or snow accumulations) the Glasgow Farm will make all reasonable efforts to permit your event to take place on date and time scheduled. If it is necessary to move the date because of a weather condition we will reschedule at a mutually agreed date and time.
- Animals/livestock and Bees: The Glasgow Farm wants all guests to enjoy animals from a safe distance. **Event host is responsible for ensuring that vendors and guests do not harass, approach, pet, ride or feed animals.** Active beehives are located on the farm. **Event host shall be responsible for ensuring that vendors and guests do not approach or touch beehives.**
